# MAKE A DIFFERENCE 365 Days of Caring

365 Days of Caring builds partnerships between United Way, nonprofit agencies, community volunteers and employees from area workplaces. By participating, volunteers gain a deeper understanding of our region's social service community and the work that United Way and local nonprofit agencies do every day of the year.

## 365 Days of Caring offers your workplace:

- An opportunity for you to position your company as a good corporate citizen in Greater Philadelphia
- A chance to build a culture of caring
